

PROGRAM 2017-2018

This year BHQG program will hosts many superb trunk show presenters as well as varied skill building activities. We had you in mind when Sarah and Roseline along with your input searched high and low for ideas and presenters to feed your passion for quilting. Thank you to all who sends us emails to inform us of your varied needs and wants.

Our first presenter of the year is Lorna McMahon, the founder of Sew Fresh Quilts. She is a stay at home mom to two budding teens, and living in an isolated rural environment in Ontario. She longs to share her quilting adventures with her online and at large community. The development of her skills has enabled her to share her experiences and advice in a series of free tips and tutorials that are available as an aid to both new and seasoned quilters alike on her WEB page. Check her out at <https://sewfreshquilts.blogspot.com> As a special treat, she will also sell her patterns at her pop-up shop on September 14, 2017.

HELP !

Our program in April 2018 is a Round Robin showing how to use certain speciality rulers. Some of us have bought rulers that are used to make varied blocks or other and have yet to master its full potential. If this describes your situation please bring your ruler or rulers at our BHQG September meeting and show Sarah or Roseline what it looks like.

Afterwards they will try their best to find a member who knows how to use it and present that type of ruler at our Round Robin in April. Please do not leave your ruler with us.
