

# LOG CABIN VALENTINE'S DAY PLACEMAT

Try this variation of a log cabin block to make a placemat. With the little Inuksuit motif, the placemat is very Canadian.

## CUTTING

Choose a variety of reds and/or pinks.

To make your log cabin in the traditional contrasting lights and darks, choose lighter shades for B, D, and F. Choose darker shades for C, E, and G.

Cut A (2 1/2 inch square) in a red or maybe a yellow or a Canadian motif.

Cut B (2 1/2 inch square)

Cut C and D (2 1/2 in. X 4 1/2 in. rectangle)

Cut E and F (2 1/2 in. X 6 1/2 in. rectangle)

Cut G (2 1/2 in X 8 1/2 in. rectangle)

\*\*\*

Cut one circle (8 1/2 in. diameter) in another red fabric. Use the circle template in this pattern.

Cut another circle (8 1/2 in. diameter) in fusible interfacing.

\*\*\*

Background Fabric (white or cream colour)

Cut one (4 1/2 in. square)

Cut two (4 1/2 in. X 8 1/2 in. rectangles)

## SEWING INSTRUCTIONS:

Use a scant 1/4 in. seam allowance.

First, make the log cabin:

1. Join A to B right sides together.
2. Add C to long side of AB unit.
3. Add D to the ABC unit as shown.
4. Add E to long side of ABCD unit.
5. Add F to the ABCDE unit as shown.
6. Add G to the ABCDEF unit.
7. Trim the log cabin to 8 1/2 in. square.
