Registration is necessary.

\$20 is necessary to hold your spot

FIRST COME, FIRST SERVED

Sign up sheet at BHQG guild meeting Sept 8, 2022

Workshop 1- Is it an X or a Plus? by taught Susan Clarke

This workshop is a good exercise in colour values, bringing the X's forward, and then into the background along with the plus signs. It's not hard at all and very achievable.

Susan's class will be held in the Hall downstairs at Five Oaks. Size limit of 20 will allow participants to have lots of personal space with a full worktable each

Workshop 2 - Roundabout Quilt designed by Donna Jordan, taught by Sue Baldauf

This workshop will show you how to use straight line triangles to give the illusion of curves and circles. Using a variety of light scraps against a variety of dark scraps, makes this pattern an effective scrap buster project.

SueB's class will be held in the Hall upstairs at Five Oaks. Size limit of 15 will allow participants to have lots of personal space with a full worktable each.

Your BHQG organizers are Sue Baldauf and Roseline Dufour, Please send inquiries to suebaldauf@hotmail.com
